Beard Day Productions proudly present

Beard Day 10 – The Final Conflict!

Feb 5th 2005 Rose and Thistle Argyle Road Reading

What was your favourite Beard Day?

Was it clad in a deerstalker with a bandaged foot riddled with gout? Did you come as a goat to the Agricultural show? Did you bring on the hardcore at the acid rave? Did you sit in a cardboard box for the Planet of the Apes day? Were you a Kabbadi winner on Circus Day? Or did you win the sack race as an elderly religious prophet?

All great memories! So, for the final Beard Day, dust off your favourite beard from years gone by and help celebrate Beard Day **one last time**. This years events will include:

**The return of the Beard Band! • Garden Kabbadi! • The Elderly Profit Sack Race!
Blind Sheep Dog Trials! • Another re-enactment from the final scene of the Planet of the Apes!
Pinto! • The Gout Race! and much much more...**

There will be a bus to Reading vs Plymouth and back. Play begins at 11.00am. Normal rules apply – you must be bearded from 11- 5pm. Anyone dressed as an owl or wizard will not be admitted.
